STATE SHOOT INFO

Caledonia does have some pull!

Some of you might not know but the state shoot will be hosted by North Macomb Sportsmen Club again this year. It was originally scheduled for the 3rd week-end of Sept. (17-19). I sent one of the committee members an email mentioning that a lot of us would not be attending and attendance would be down. I mentioned that another weekend would work better for Caledonia, and we know that the shoot isn't just for Caledonia. The state shoot committee and the BOD of North Macomb met and decided that they wanted to have us there, so they changed the date to September 24-26. Please mark your calendars for that weekend, we need to bring a record group down there this year.

Also to let everyone know that the new name for the state shoot is Michigan Shooting Clubs State Shoot. They did this hoping people that have a problem with the MUCC will come back and participate.

More info will be forthcoming this summer.

EUCHRE NIGHTS

We have 1 more night of Euchre remaining for this year. The date is for Saturday, March 27th. Registration starts at 6:30 pm and play begins promptly at 7:00 pm. Flyers are posted around the club with additional information. It's a great time and a lot of fun, so get a partner and come out and play. This is open to members and non-members alike.

RANGE CLOSURES

Sporting Clays

Please be advised that you may want to phone ahead this winter to check on course availability. The sporting clays course will be open only on weekends and only when snow depth is not and accessibility issue. Snow clearance on that range will not be a priority.

Banquet will be on Saturday, April 17th @ 6:00 pm
Calcutta will be on Sunday, April 18th shooting starts at 10:00 am

Sign-up sheets are posted for both Banquet and Calcutta. Please be sure to sign up if you plan on attending the banquet so we can get an accurate head count for dinner. As always please mark down how many will be attending and a dish to pass. The club will provide the meat and table service.

ARCHERY NEWS

There will be a fun night for the compound shooters on Thursday, March 25th. Shooting starts at 7:00 pm. We suggest that you bring some scrap arrows for use with the iron bunny event. (Also, bring some dollar bills).

The archery league banquet will be held on Friday, March 26th beginning at 6:00 pm. This is a combined event for both the Traditional Archers and the Compound Shooters. A sign-up sheet will be posted on the bulletin board. So please add your name early so we have a good head count for planning dinner. League awards and prizes are on the agenda along with dinner and drinks. Bring your spouse and family, or a date (or all).

Also, the meal will be prepared by the same chef as last year. If you don't know how to take the meaning of that, you'll just have to ask Dave or Ben Stevens if they like to eat at home.

Spring 3-D will start in April. Details will appear in next month's newsletter.

FOUNDATION NEWS

Hunter Education Class:

We will be hosting a hunter safety class on the weekend of April 24th & 25th. A flyer will go out with the April newsletter.

Volunteers Needed:

The Foundation will sponsor it's next 4 day Texas Hold'em fund raiser beginning March 31st at Spectrum Lanes. We will again need members to perform cashier duties. Please contact any board member for information or to volunteer. There is a sign-up sheet posted at the club as well. Charters can earn work day credits toward 2010 by working. It's not hard and can be a rather interesting time.

CPR/AED Class:

We have a limited number of openings for CPR and AED (defibrillator) class scheduled for Sunday, March 21st. Class will start at approx. 3:00 pm and be conducted by representatives of the Caledonia Fire Dept. Those who complete the class will receive Red Cross certification cards. A sign-up sheet is posted at the club

MAY 1ST TOBACCO BAN

State of Michigan Public Act No. 188, which severely curtails public smoking, was recently signed into law by the governor.

**This law takes effect on
May 1st 2010.**

As a result, beginning that day, the use of tobacco products within the clubhouse building will not be permitted.
